

HISPANIC AFFAIRS PROJECT

~10 Years Serving the Community~

We are a non-profit organization working on leadership development, community organizing and the provision of key services for immigrant integration in Western Colorado.

Know Your Rights

What to do if you have a contact with the police or immigration agents (ICE)?
Do you have a plan in case of detention or deportation?

The new administration plans to hire more immigration agents and has threatened to increase the number of deportations.

Come to learn how to protect yourself and your family.
